SCHOOL FEES

Gill Primary School is a **QUINTILE 5** public school where the **payment of school fees is compulsory**. Parents of learners are therefore responsible for maintaining a high standard of education and the school's facilities by paying school fees. Failure to pay school fees places the school and other paying parents under pressure.

In terms of the Schools Act, the Governing Body is empowered to collect outstanding school fees through legal proceedings. The Schools Act allows parents to apply for partial or complete exemption of school fees, subject to the process prescribed in the Schools Act.

School fees are determined annually, following the Budget, **by the majority vote of parents** at the Annual General Meeting in November.
